# The Look

During the 1987-1988 school year, several things went on locally, nationally, and world-wide.

In the Conference Art Show, the Art II class received a best of show on their plaster sculpture. Valerie Waldo also received a best of show on her 2-D self-portrait project. All together, Madison won 150 ribbons at the show.

Cecilia Cichan, 4, was the sole survivor of a airplane crash that killed 154 people.

6,500 people died from AIDS in 1987.

Donna Rice, Fawn Hall, and Jessica Hahn were all accused of meeting their bosses beyond the office walls.

The new star of Saturday Night Live, The Church Lady, started everyone saying the phrase, "Well, isn't that special?"

President Reagan and Premier Gorbachev held a summit and signed a treaty to ban medium and shorter range missiles from Europe and Asia.

Judge Harvey Sorkow ruled against natural mother Mary Beth Whitehead and gave custody of "Baby M" to her father and adoptive mother, William and Elizabeth Stern.

Running for President in November is George Bush, Michael Dukakis, and Jesse Jackson.

Princess Diana and Duchess Sarah Fergeson didn't act like royalty when they went out for nights on the town and poked people in the rear-end with umbrellas.

Eighteen month old baby Jessica McClure was trapped in a well on a Midland Texas

farm for 58 hours (2½ days). Photo courtesy of People 1-4-88.

## Scandal!!!

In the late summer of 1987, many of our summer T.V. shows were interrupted with the trials of Oliver North. Charges were filed against North after it was found that he deceived Congress by funneling cash from the Iran arms sales to the Nicaraguan Contras.

## Staters

Stephanie Nathan, and Todd Werkmeister were chosen as the 1988 Girl and Boy Staters from Madison. They spent a week in Lincoln during the summer learning about government.

## Fashions

Some of the fashions that made the scene this year were the acid washed jeans, jeans that were rolled up, and ripped jeans, buzzed hair with stripes on the side, scarves, white canvas shoes, cropped shirts, trench coats, Spuds McKenzie shirts, rhinestones, and in the high school, shorts, but they had to be long!!!

## Contest

District Music Contest was held at Platte College on April 22 and 23. Receiving Superior ratings were: M.H.S. Singers, Girls Trio, vocal solo by Faith Hintz, a vocal duet by DeDe Schlueter and Jerad Osborne, and a French Horn solo by Nikki Petersen. Geez! We are Seniors! Hard to believe isn't it?  
We've had so much fun in the past! Especially  
in junior high!! Remember when you wrecked  
the bike with me on back? Thanks for all  
the mals! That one summer I was staying  
overnight at least once every week!! We had  
fun! Of course we can't forget Softball! We  
were pretty lucky to go to state 2 times! And  
such a good coach too!! Have fun your Senior year!  
You are a really great friend! If you ever need  
someone to talk to - you know you can trust  
me! I'm a great listener! Thanks for being such  
a great friend!

Love, J/F

Sue, Hi, read this only if you want to back to our memory bank again!

Well, where do I start? I know we haven't been the closest lately, but I still consider you a very good friend! We have had alot of fun together, and I'll always remember those good ol' times. I just hope they aren't over! Like you said, we only have a year left til we go our separate ways. So lets not waste this big "senior" year. I remember when you, me, Michelle and Heather all came to my house and rode 3-wheelers. We got our kneepads a little dirty, but we sure had fun! Then we worked up an appetite and all the fruit! And yes I remember the f-up and major f-up days. And the loose the moped game, and the polo, and the blank UB papers, and Jeff Prather, and the time my car quit in front of that old peoples home and Jim was taking my car apart and that old guy had to come out and "jump" us. Boy do we lead exciting lives! Yeah, and I remember the cemetery, with Tonya and Jody. Back when we did major stupid things. And the Homer guy, who insisted on waxing my front bumper with his face. Sucking I stopped and didn't keep going, although I should have! How many times do I have to tell you, if you keep your dogs quiet I won't have to tell them to "shut up". And tell your brother that he has to do something about his snoring, cuz he could give someone heart failure or make them brake bones trying to get up the steps! Ha! Boy, I haven't heard the words "Coors Country" for a long time. I guess you have to be with the right people!

All I can really say is that you have been a great friend, and I hope that never changes. We always seem to work things out no matter how bad they seem! So best of luck, and let's stay in touch, no matter how far away. Let's have a great year, and let nothing stand in our way!

Love Ya Lots, Faith

Hi! Hope your year is all the  
a good thing! We have had  
diff. experiences like that one  
basketball game but we  
always we seemed to work it  
out! I wish you the best of  
luck in school & with Jim!  
lets keep in touch!
